Directions:

From the West side of Baltimore by way of the inner loop of the Baltimore Beltway: Take the Falls Rd. north (MD 25) exit (pay close attention because Falls Rd. south, I 83 south, and Falls Rd. exits, come in quick succession). The exit actually takes you onto the northern extreme of northbound I 83 but immediately becomes northbound Falls Rd. The third traffic light is Seminary Ave. Turn right and follow Seminary for approx. 3 minutes; take a left turn onto Valleyfield Rd. Grace will be two short blocks on your right. The meeting is through the main church doors which face Valleyfield Rd.

From the East side of Baltimore by way of the outer loop of the Baltimore Beltway: Take the York Rd. north exit. The second traffic light on York Rd. will be Seminary Ave. Turn left on Seminary and drive through Old Lutherville, crossing the "light rail" tracks and the bridge over I 83. Immediately after the I 83 bridge turn right onto Valleyfield Rd. Grace will be two short blocks on your right. The meeting is through the main church doors which face Valleyfield Rd.
